## Description

## Heartland Milestone fifth wheel 360HP highlights:

- Hidden Butler's Pantry • Kitchen Island
- Master Suite
- Sofa with Foot Rests
- Full-Size Bedroom Wardrobe

This Milestone fifth wheel has an excellent master suite with a king-size bed to keep you comfortable. The dual-entry bathroom offers you a private entrance into the bedroom, and there is a bedroom bench to help you sit down to put your shoes on. In the main living area, there is a free-standing table with chairs that you can use when you want to eat meals, and there are two sofas to relax on. The best part about this unit is the hidden butler's pantry in the back. This pantry includes a desk and great windows, so you'll be able to also use this space as an excellent work area.

The Heartland Milestone is a full-profile luxury fifth wheel that is ready to help you make the most of your adventures! You will find an anti-chucking rotoflex 2" receiver hitch to help you tow like a pro, and there is a 50W solar panel with inverter prep to keep you prepared for off-grid fun. The upgraded MORryde solid step with quickadjust system will help you enter your unit with ease, and auto-leveling comes standard to help you keep your unit secure while camping. The interior kitchen has some great features, like anti-microbial solid-surface countertops and a refrigerator with wine cooler, and there is Wi-Fi prep with wireless charging ports throughout each unit.
